Dear all of the generous folks at Guardian Mask,

I am writing on behalf of Duchess Sanctuary to say thank you so very much for your donation of a Guardian Mask for our little mustang Danté. He was orphaned as a tiny foal when he and his mother were gathered from the desert by the BLM, and his mother died in a holding pen right next to him. No one thought he would live, but today he is a 13 year old in excellent health, with the exception of his eye issues. ERU can be a struggle to manage, but the addition of the Mask to his treatment has been fantastic. He's much happier, and that is the foundation of everything we do here at the sanctuary. Here he is modeling!

Your willingness to contribute to horses in need is much appreciated. Thank you for your excellent customer service and your generosity.

With gratitude,

Jennifer Kunz
